ABRIHAM ATINKUT

FULL STACK DEVELOPER

+ 251980284040 | *abrihamatinkut@gmail.com* / *LinkedIn* / *GitHub* / *Portfolio* /

Bahir Dar, Ethiopia

PROFILE

Full-Stack Developer with experience building scalable, user-focused web applications across the full development lifecycle. Skilled in frontend and backend development, API design, and database-driven systems. Comfortable working across multiple stacks and technologies, with hands-on experience in JavaScript, backend frameworks, and data-driven applications. Passionate about solving real-world problems through clean architecture, and automation systems.

KEY SKILLS

Technical Skills: React.js, Node.js, Express.js, RESTful APIs , Django, Python, JavaScript, HTML5, CSS3, Tailwindcss, Database Design, Authentication & Authorization (Django).

Tools: Git & GitHub, Visual Studio, Postman

Soft Skills: Collaboration & Teamwork, Attention to Detail, Effective Communication, Problem Solving, Time & Task Management, Adaptability, Continuous Learning & Growth.

PROJECTS

Fitness Tracker (Full Frontend Application)

React (Vite), Tailwind CSS, REST API Integration

- Built a responsive fitness tracking web app that allows users to log workouts, track progress, and view detailed exercise data.
- Integrated external REST API (WGER) to fetch and display exercise information with search and filtering functionality.
- Implemented dynamic workout logging with sets, reps, weight tracking, and timestamped history.
